2017 INFORMATION CIRCULAR

(Containing information as at July 19, 2017 unless otherwise indicated)

GENERAL PROXY INFORMATION

You have received this Management Information Circular (the “**Circular**”) because you owned shares of Blue Sky Uranium Corp. (the “**Company**”) as of the Record Date of July 19, 2017 for the 2017 Annual General Meeting of Shareholders to be held on August 23, 2017. You have the right to attend the Meeting and vote on various items of business.

Both the Board of Directors of the Company and management of the Company encourage you to vote. On behalf of the Board and Management, we will be soliciting votes for the Meeting and any meeting that is reconvened if it is postponed or adjourned. The costs of solicitation by management will be borne by the Company.

SOLICITATION OF PROXIES

This Circular is furnished in connection with the solicitation of proxies by the management of the Company for use at the Meeting and any adjournments thereof.

While it is expected that the solicitation will be primarily by mail, proxies may be solicited personally or by telephone by the directors, officers and regular employees of Blue Sky. Blue Sky may reimburse shareholders, nominees or agents for any costs incurred in obtaining from their principals proper authorization to execute proxies. Blue Sky may also reimburse brokers and other persons holding shares in their own name or in the names of their nominees for expenses incurred in sending proxies and proxy materials to the beneficial owners thereof to obtain their proxies. All costs of all solicitations on behalf of management of the Company will be borne by the Company.

The Company has set July 19, 2017 as the Record Date for determining Shareholders entitled to vote at the Meeting.

APPOINTMENT OF PROXYHOLDER

A duly completed form of proxy for Blue Sky will constitute the persons named in the enclosed form of proxy as the Shareholder’s proxyholder. The persons whose names are printed in the enclosed form of proxy for the Meeting are directors or officers of the Company (collectively, the “**Management Proxyholders**”).

A Shareholder has the right to appoint a person other than the Management Proxyholders, to represent the Shareholder at the Meeting by striking out the names of the Management Proxyholders and by inserting the desired person’s name in the blank space provided or by executing a proxy in a form similar to the enclosed form. A proxyholder need not be a Shareholder.

VOTING BY PROXY

Shares represented by properly executed proxies of Blue Sky and in the accompanying form will be voted or withheld from voting on each respective matter where a poll is requested or required in accordance with the instructions of the Shareholder, and if the Shareholder specifies a choice with respect to any matter to be acted upon, the securities will be voted accordingly.

If no choice is specified and one of the Management Proxyholders is appointed by a Shareholder as proxyholder, it is intended that such person will vote in favour of the matters to be voted on at the Meeting.

The enclosed form of proxy also confers discretionary authority upon the person named therein as proxyholder with respect to amendments or variations to matters identified in the Notice of the Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of Blue Sky knows of no such amendments, variations or other matters to come before the Meeting.

COMPLETION AND RETURN OF PROXY

Each proxy must be dated and signed by the Intermediary (see “*Non-Registered Shareholders*” below) acting on behalf of a Shareholder or by the Shareholder or his/her attorney authorized in writing. In the case of a corporation, the proxy must be dated and executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

Completed forms of the proxy must be returned to the Company’s registrar and transfer agent, Computershare Investor Services by mail or delivery to 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1 or as otherwise indicated in the instructions contained on the form of proxy (including, where applicable, through the transfer agent’s internet and telephone proxy voting services). All proxies in respect of the Meeting must be completed and received not later than forty-eight (48) hours, excluding Saturdays, Sundays and holidays, prior to the commencement of the Meeting, unless the chairman of the Meeting elects to exercise his discretion to accept proxies received subsequently.

REGISTERED AND NON-REGISTERED SHAREHOLDERS

Only Registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting.

Most Shareholders are “non-registered” shareholders because the shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased or deposited the shares. More particularly, a Non-Registered Shareholder holds shares which are registered either in the name of: (a) an Intermediary that the Non-Registered Shareholder deals with in respect of said shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSP’s, RRIFs, RESPs and similar plans); or (b) a clearing agency (such as CDS of which the Intermediary is a participant. Blue Sky has distributed copies of the Meeting Materials to its Registered Shareholders and to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either be given:

- (a) a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted to the number of shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should otherwise properly complete the form of proxy and **deliver it to Blue Sky’s transfer agent** as provided above; or

- (b) more typically, a VIF, **which the Non-Registered Shareholder must complete and sign** in accordance with the directions on the VIF. The majority of brokers now delegate the responsibility for obtaining voting instructions to a third party called Broadridge. Broadridge typically will send a VIF by mail and ask that it be returned to them (the Broadridge VIF also allows voting by telephone and Internet). Broadridge tabulates the results and provides the instructions to Blue Sky's transfer agent respecting the voting of shares to be represented at the Meeting. As a beneficial owner, a VIF received from Broadridge cannot be used to vote the Non-Registered Shareholder's shares directly at the Meeting. The VIF must be **returned to Broadridge** well in advance of the Meeting in order to have your shares voted.

In either case, the purpose of this procedure is to permit Non-Registered Shareholders to direct the voting of the shares which they beneficially own. Should a Non-Registered Shareholder receive one of the above forms and wish to vote at the Meeting in person, the Non-Registered Shareholder should strike out the names of the Management Proxyholders and insert the Non-Registered Shareholder's name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the proxy or proxy authorization form is to be delivered.**

This Information Circular and related material is being sent to both Registered and Non-Registered Shareholders. If you are a Non-Registered Shareholder, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding Shares on your behalf.

In accordance with NI 54-101, Blue Sky has distributed copies of the Notice of Meeting, this Information Circular and the Proxy to the clearing agencies and Intermediaries for onward distribution to Non-Registered Shareholders. Applicable regulatory policy requires Intermediaries to seek voting instructions from Non-Registered Shareholders in advance of Shareholders' meetings unless the Non-Registered Shareholders have waived the right to receive meeting materials.

Every Intermediary has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Non-Registered Shareholders in order to ensure that their Shares are voted at the Meeting. The form of proxy supplied to a Non-Registered Shareholder by its Intermediary is nearly identical to the Proxy provided to Registered Shareholders. However, its purpose is limited to instructing the Intermediary, which is the Registered Shareholder, how to vote on behalf of the Non-Registered Shareholder.

Should a Non-Registered Shareholder receiving such a form wish to vote at the Meeting, the Non-Registered Shareholder should strike out the names of the Management Proxy holders named in the form and insert the Non-Registered Shareholder's name in the blank provided **and return the materials to the Intermediary as directed.**

By choosing to send these materials to you directly, the Company (and not the Intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your instructions as specified in the request for voting instructions.

REVOCABILITY OF PROXY

Any Registered Shareholder who has returned a proxy may revoke it at any time before it has been used. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing, including a proxy bearing a later date, executed by the Registered Shareholder or by his attorney authorized in writing or, if the Registered Shareholder is a corporation, under its corporate seal or by an officer or attorney thereof duly authorized. The instrument revoking the proxy must be deposited at the registered office of Blue Sky at Suite 312, 837 West Hastings Street, Vancouver, British Columbia Canada V6C 3N6, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of such Meeting. **Only Registered Shareholders have the right to revoke a proxy. Non-Registered Shareholders who wish to change their vote must arrange for their respective Intermediaries to revoke the proxy on their behalf well in advance of the Meeting.**

THE CONTENTS AND THE SENDING OF THIS INFORMATION CIRCULAR HAVE BEEN APPROVED BY THE DIRECTORS OF THE COMPANY.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about Blue Sky's executive compensation objectives and processes and to discuss compensation decisions relating to its Named Executive Officers listed in the Summary Compensation Table that follows.

Blue Sky is an exploration stage company engaged in the exploration and development of mineral property interests.

Blue Sky has, as of yet, no significant revenues from operations and often operates with limited financial resources to ensure that funds are available to complete scheduled programs. As a result, the directors of Blue Sky have to consider not only the financial situation of Blue Sky at the time of the determination of executive compensation, but also the estimated financial situation of Blue Sky in the mid and long term. An important element of executive compensation is that of stock options, which do not require cash disbursement by Blue Sky. Additional information about Blue Sky and its operations is available in the audited consolidated financial statements and MD&A for the years ended December 31, 2016 and 2015, which are incorporated by reference herein and available for viewing under Blue Sky's profile on SEDAR at www.sedar.com.

Currencies

All financial amounts are stated in Canadian dollars unless otherwise indicated.

Named Executive Officers of Blue Sky

During its fiscal years ended December 31, 2016 and 2015, the following two individuals were NEOs of Blue Sky, namely, Nikolaos Cacos, President and CEO, and Darren Urquhart, Chief Financial Officer and Secretary.

Compensation Objectives and Principles

The primary goal of Blue Sky's executive compensation package is to attract and retain the key executives necessary for Blue Sky's long term success, to encourage executives to further the development of Blue Sky and its operations, and to motivate top quality and experienced executives.

Compensation Process

The process for determining executive compensation relies on the Board's discussions with the input from and upon the recommendation of the Compensation and Governance Committee. The members of the Compensation and Governance Committee are Nikolaos Cacos, David Terry and Darren Urquhart. Mr. Cacos brings 23 years of management expertise in the mineral exploration industry. He has extensive experience in providing strategic planning to and administration of public companies. Mr. Cacos serves as a director and officer of several publicly traded companies. Dr. Terry has more than 20 years of experience focused on exploration for a wide spectrum of precious and base metal deposits throughout North and South America. He has held numerous senior positions with both major and junior mining companies, including Boliden Limited, Westmin Resources Limited, Hemlo Gold Mines Inc., Cominco Limited and Gold Fields Mining Corporation. He holds a BSc and PhD from the University of Western Ontario. Mr. Urquhart is a CPA and Chartered Accountant with more than 10 years of experience working in both public practice and industry, presently engaged in public practice accounting offering CFO and accounting services to TSX Venture Exchange listed exploration companies in the Vancouver.

The Compensation and Governance Committee monitors compensation of the directors and executive officers of Blue Sky. The Compensation and Governance Committee periodically reviews the compensation paid to directors and management based on such factors as (i) recruiting and retaining executives critical to the success of Blue Sky and the enhancement of shareholder value, (ii) providing fair and competitive compensation; (iii) balancing the interests of management and the Shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. To determine compensation payable, the Compensation and Governance Committee review compensation paid for directors and CEOs of companies of similar size and stage of development in the mineral exploration/mining industry and determine an appropriate compensation reflecting the need to provide incentive and compensation for the time and effort expended by the directors and senior management while taking into account the financial and other resources of Blue Sky.

Components of Compensation

Blue Sky's key components of executive compensation are base salary, variable annual cash incentives and option based awards. Blue Sky does offer other perquisites but such are not material on an annual basis.

Annual base salary

The objectives of the base salary are to recognize market pay and acknowledge the competencies and skill of individuals. Base salary for the NEOs is determined by the Board upon the recommendation of the Compensation and Governance Committee. The base salary for the most recently completed financial year and the prior financial years have been historically based upon engagement of employment or engagement agreements with the NEOs.

Annual cash incentives

The objectives of annual incentives in the form of cash payments are designed to add a variable component of compensation. The objectives are not necessarily based on corporation performance factors such as stock prices and earnings per share and can be subjective to a certain degree. The objectives are based more on the general improvement of Blue Sky in terms of successful financings, property acquisitions, property option agreements, and other factors as determined by the Compensation and Governance Committee. These factors are assessed against the objectives of Blue Sky in light of the external environment and current business situations.

Option based awards

Long-term incentives in the form of options to purchase shares are intended to align the interest of Blue Sky's directors and its executive officers with those of the Blue Sky Shareholders, to provide a long term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation Blue Sky would otherwise have to pay. The Company's Stock Option Plan is administered by the directors. In establishing the number of Blue Sky Options to be granted to the Named Executive Officers, reference is made to the number of stock options granted to officers of other publicly traded companies that, similar to Blue Sky, are involved in the mining industry, as well as those of other publicly traded Canadian companies of a comparable size to that of Blue Sky in respect of assets (see "Compensation Process" above). The directors also consider previous grants of options and the overall number of options that are outstanding relative to the number of outstanding shares in determining whether to make any new grants of options and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the director or executive officer in determining the level of incentive stock option compensation. See "*Incentive Plan Awards – Outstanding Option-Based Awards*" below.

Compensation Risk

Blue Sky believes it has effective risk management and regulatory compliance relating to its compensation policies used in determining executive compensation.

Blue Sky's Compensation and Governance Committee assists the Board in discharging its duties relating to compensation of Blue Sky's directors and executive officers, together with the general responsibility for developing and reviewing the approach to governance issues and matters of Blue Sky.

Risks related to compensation are taken into consideration as part of the general review and determination of executive compensation by the Compensation and Governance Committee and the Board, including: review of salaries of comparable companies; engagement of compensation report (prepared in 2010); and review and approval by the Compensation and Governance Committee and recommendation to the Board for approval.

Due to the small size of Blue Sky, and the current level of Blue Sky's activity, the Board and the Compensation and Governance Committee are able to closely monitor and consider any risks which may be associated with Blue Sky's compensation policies and practices. Risks, if any, may be identified and mitigated through regular Board meetings during which, financial and other information of Blue Sky are reviewed, and which information includes executive compensation, which activity must be approved by the Board if such activity is outside or beyond Board-approved actions and, or, as set out in a Board-approved budget. No risks have been identified arising from Blue Sky's compensation policies and practices that are reasonably likely to have a material adverse effect on Blue Sky.

There is currently no policy of the Company prohibiting an NEO or director from purchasing financial instruments, including for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation of held, directly or indirectly, by the NEO or director.

Named Executive Officer Agreements

Blue Sky has entered into certain agreements with its executive officers and an external management company.

Grosso Group Management Ltd.

During the fiscal year 2010, Blue Sky entered into a Management Services Agreement with the Grosso Group, which provides its member companies with administrative and management services. The Grosso Group staff are available to the member companies on a cost recovery basis without the expense of full time personnel. The member companies pay monthly fees to the Grosso Group. The fee is based upon a reasonable pro-rating of the Grosso Group's costs including its staff and overhead costs among each member company with regard to the mutually agreed average annual level of services provided to each member company. During the financial year ended December 31, 2016, the Grosso Group invoiced Blue Sky for a total of \$70,500 (2015 - \$Nil) (see "Management Contracts").

Nikolaos Cacos, President and Chief Executive Officer

During the year ended December 31, 2016, Mr. Cacos received aggregate compensation of \$60,000 (2015 - \$60,000) pursuant to a consulting agreement between Blue Sky and Mr. Cacos, whereby Mr. Cacos provided executive services to Blue Sky as Blue Sky's President and CEO. During the year ended December 31, 2016, Mr. Cacos' option-based compensation from Blue Sky was \$Nil (2015 - \$Nil). The termination provisions provide that a fee of 24 months salary be paid in the event of termination without cause. In the event of a change of control, Mr. Cacos will receive an amount equal to 24 months salary.

Darren Urquhart, Chief Financial Officer and Secretary

Pursuant to an employment agreement between Blue Sky and Mr. Urquhart, with effect as of April 25, 2014, Mr. Urquhart provided executive services to Blue Sky as an employee of Blue Sky. During the year ended December 31, 2016, Mr. Urquhart's total compensation from Blue Sky was \$33,000 (2015 - \$Nil). The termination provisions provide that a fee of 12 months salary be paid in the event of termination without cause. In the event of a change of control, Mr. Urquhart will receive an amount equal to 12 months salary.

Pursuant to the Stock Option Plan, in the event that the option holder ceases to hold such position other than by reason of death or disability, the expiry date of the option shall be, unless otherwise expressly provided for in the option certificate, the 90th day following the date the option holder ceases to hold such position unless the option holder ceases to hold such position as a result of termination for cause, in which case the expiry date shall be the date the option holder is terminated.

CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, NI 58-101 prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

Board of Directors

The Company's Board facilitates its exercise of independent supervision over the Company's management through meetings of the Board, both with and without members of the Company's management (including members of management that are also directors) being in attendance. The independent directors are encouraged to meet at any time they consider necessary without any members of management including the non-independent directors being present.

The Company's Board is comprised of three directors. The Board has determined David Terry to be "independent" based upon the tests for independence set forth in NI 52-110.

The following directors are current members of management and thus not considered to be independent: Nikolaos Cacos and Darren Urquhart. Nikolaos Cacos is a member of the Company's management and is not independent as he serves as President and Chief Executive Officer. Darren Urquhart is a member of the Company's management and is not independent as he serves as Chief Financial Officer and Corporate Secretary.

Directorships

Certain of the directors are presently a director of one or more other reporting companies as follows.

| Name of Director of the Company | Names of Other Reporting Issuers |
|--|---|
| Nikolaos Cacos | Golden Arrow Resources Corporation Argentina Lithium & Energy Corp. (formerly Iron South Mining Corp.) |
| David Terry | Golden Arrow Resources Corporation Comstock Metals Ltd. |
| Darren Urquhart | Comstock Metals Ltd. Argentina Lithium & Energy Corp. (formerly Iron South Mining Corp.) |

Orientation and Continuing Education

While Blue Sky does not have formal orientation and training programs, new Board members are provided with:

1. access to recent, publicly filed documents of Blue Sky; and
2. access to management and technical experts and consultants.

Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current with industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit Blue Sky's operations. Board members have full access to Blue Sky's records.

The Board of Blue Sky attempts to provide continuing education for its directors in order that they maintain the skill and knowledge necessary for them to meet their obligations as directors. As an example, technical presentations are made at Board meetings, focusing on either a particular property or a summary of various properties. The question and answer portions of these presentations are a valuable learning resource for the non-technical directors.

Ethical Business Conduct

The Board has responsibility for the stewardship of Blue Sky including responsibility for strategic planning, identification of the principal risks of the Company's business and implementation of appropriate systems to manage these risks, succession planning (including appointing, training and monitoring senior management), communications with investors and the financial community and the integrity of the Company's internal control and management information systems. To facilitate meeting this responsibility, the Board seeks to foster a culture of ethical conduct by striving to ensure the Company carries out its business in line with high business and moral standards and applicable legal and financial requirements. In that regard, the Board:

- has adopted a **Code** for its directors, officers, employees and consultants. A copy of the Code can be found on the Company website at www.blueskyuranium.com and is posted on SEDAR at www.sedar.com under Blue Sky's profile;
- has adopted a written **Whistleblower Policy** for its directors, officers, employees and consultants which details procedures to report financial concerns and ethical business dilemmas. The Board has appointed a Compliance Officer who is responsible for investigating and resolving all reported complaints and allegations concerning

violations of the Code. The Compliance Officer has direct access to the Audit Committee and the Board and the Compliance Officer is required to report to the Board at least annually on compliance activity;

- is cognizant of the Company's timely disclosure obligations and has adopted a written **Corporate Disclosure and Insider Trading Policy** for its directors, officers, employees and consultants. The Board has established a Disclosure Committee to review material disclosure documents such as financial statements, management's discussion and analysis and press releases prior to their distribution, and identify material information. The Disclosure Committee is comprised of the Company's Chief Executive Officer (CEO), Chief Financial Officer (CFO) and any one director of the Company;
- has adopted a **Foreign Corporate Policy** that outlines the Company's commitment to ethical business practices in every jurisdiction in which it does business. Company directors, officers, employees, management company employees and those who provide services to the Company, shall be expected to act with integrity, honesty and in good faith, support the communities in which it operates and act in accordance with applicable laws with the highest standards of ethical and professional behaviour in foreign jurisdictions;
- encourages management to consult with legal and financial advisors to ensure the Company's requirements are met;
- is cognizant of timely disclosure obligations and reviews material disclosure documents such as financial statements, management's discussion and analysis (MD&A) and press releases prior to their distribution;
- relies on its Audit Committee to annually review the systems of internal financial control and discuss such matters with the Company's external auditor; and
- actively monitors the Company's compliance with the Board's directives and ensures that all material transactions are thoroughly reviewed and authorized by the Board before being undertaken by management.

The Board must also comply with the conflict of interest provisions of the British Columbia Business Corporations Act, as well as the relevant securities regulatory instruments, in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or executive officer has a material interest.

Nomination of Directors

The Board has responsibility for identifying potential Board candidates. The Board assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors.

Compensation

The Board has established a Compensation and Governance Committee which recommends to the Board the directors' and officers' compensation, among other things, on the time commitment, effort and success of each individual contribution towards the success of Blue Sky and a comparison of the remuneration paid by Blue Sky to publicly available information of the remuneration paid by other reporting issuers (public companies) that the Committee feels are similarly placed within the industry.

In addition, the directors and officers are granted stock options under the Blue Sky Stock Option Plan. The Compensation and Governance Committee determines the terms of each stock option within the parameters set out in the Stock Option Plan and applicable stock exchange rules and policies.

Other Board Committees

In addition to the following "Audit Committee" section, the Board has established the following committees, described below.

Compensation and Governance Committee: The Compensation and Governance Committee is responsible for the review and setting of all compensation (including stock options) paid by the Company to the CEO, all other

executive officers of the Company and the members of the Board. The Committee is also responsible for the governance roles, responsibilities, authorities and powers including the general responsibility for developing and reviewing the approach of the Company to governance issues. (See: “Executive Compensation – Compensation Process” above for further details of the Compensation Committee.)

The Compensation and Governance Committee is also responsible for reviewing and assessing the effectiveness of the Board; making recommendations to the Board regarding the composition and the appropriate size of the Board; reviewing the corporate governance policies and practices of the Company generally and making recommendations thereon to the directors of the Company.

Disclosure Committee: The Board has established a Disclosure Committee, presently comprised of the Company’s CEO, CFO and any one director, to assist the Company in the identification and disclosure of material information, fulfilling its responsibilities regarding disclosures to its security holders and the investment community, made on a timely basis. Overview

The overall purpose of the Audit Committee of the Company is to ensure that the Company’s management has designed and implemented an effective system of internal financial controls, to review and report on integrity of the consolidated financial statements of the Company and to review the Company’s compliance with regulatory and statutory requirements as they relate to financial statements, taxation matters and disclosure of material facts.

The Audit Committee’s Charter

The Company’s Board has adopted a charter for the Audit Committee which sets out the Committee’s mandate, organization, powers and responsibilities. The complete Audit Committee Charter is attached as Exhibit “A” to this Circular.

If an applicable individual has any concerns about any of these accounting matters which they consider to be questionable, incorrect, misleading or fraudulent, the applicable individual is urged to come forward with any such information, complaints or concerns, without regard to the position of the person or persons responsible for the subject matter of the relevant complaint or concern.

The applicable individual may report their concern in writing, by telephone or e-mail and forward it to the Company's Compliance Officer. All submissions will be treated on a confidential and anonymous basis, except when the matter refers to violation of any applicable law, rule or regulation that relates to the corporate reporting and disclosure, or refers to the violation of the Company's Code of Business Conduct and Ethics, when the person making the submission must be identified for purposes of performing the investigation. Further, the Company will

not discharge, discipline, demote, suspend, threaten or in any manner discriminate against any person who submits in good faith any accounting concern.

Promptly following the receipt of any complaints submitted to it, the Audit Committee will investigate each complaint and take appropriate corrective actions.

The effectiveness of the “Whistleblower Policy” is monitored by the Audit Committee and it is posted on the Company’s website at www.blueskyuranium.com under *About Us - Corporate Governance*.

At no time since the commencement of the Company’s most recently completed financial year has the Company relied on the exemption in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Company’s auditor from the requirement to be preapproved by the Audit Committee if such services are less than 5% of the auditor’s annual fees charged to the Company, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year’s audit) or an exemption from NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

Upon termination by Blue Sky, a termination fee is payable up to a maximum of \$750,000. In the event that Blue Sky is required to pay an early termination fee, the fees are the aggregate of the termination fee in addition to the lesser of the monthly fees calculated to the end of the term and the monthly fees calculated for eighteen months, up to a maximum of \$1,000,000.

The board of directors of Blue Sky approved the new Management Services Agreement on May 7, 2010, with effect as of April 1, 2010. The Agreement expired on December 31, 2016 and was automatically renewed for period of two years pursuant to the terms of the Agreement.

APPROVAL OF THE STOCK OPTION PLAN

Stock Option Plan

Blue Sky's Stock Option Plan was approved by the board of directors of Blue Sky on March 16, 2011. The purpose of the Stock Option Plan is to attract and motivate the directors, officers and employees of Blue Sky (and any of its subsidiaries), employees of any management company and consultants to Blue Sky (collectively the "**Optionees**") and thereby advance Blue Sky's interests by providing them an opportunity to acquire an equity interest in Blue Sky through the exercise of stock options granted to them under the Stock Option Plan.

Pursuant to the Stock Option Plan, the Blue Sky board may grant options to Optionees in consideration of them providing their services to Blue Sky or a subsidiary. The number of shares subject to each option is determined by the Blue Sky board within the guidelines established by the Stock Option Plan. The options enable the Optionees to purchase shares of Blue Sky at a price fixed pursuant to such guidelines. The options are exercisable by the Optionee giving Blue Sky notice and payment of the exercise price for the number of Blue Sky Shares to be acquired.

The Stock Option Plan authorizes the board of Blue Sky to grant stock options to the Optionees on the following terms:

1. The number of Blue Sky Shares subject to issuance pursuant to outstanding options, in the aggregate, cannot exceed 10% of Blue Sky's issued shares.
2. The number of Blue Sky Shares subject to issuance upon the exercise of options granted under the Stock Option Plan by one Optionee or all Optionees providing investor relations services is subject to the following limitations:
 - (a) no Optionee can be granted options during a 12 month period to purchase more than
 - (i) 5% of the issued Blue Sky Shares unless disinterested shareholder approval has been obtained (such approval has not been sought), or
 - (ii) 2% of the issued Blue Sky Shares, if the Optionee is a consultant, and
 - (b) the aggregate number of Blue Sky Shares subject to options held by all Optionees providing investor relations services cannot exceed 2% in the aggregate.
3. Unless the Stock Option Plan has been approved by disinterested shareholders (such approval has not been obtained), options granted under the Stock Option Plan, together with all of Blue Sky's previously established and outstanding stock options, stock option plans, employee stock purchase plans or any

other compensation or incentive mechanisms involving the issuance or potential issuance of Blue Sky Shares, shall not result, at any time, in

- (a) the number of Blue Sky Shares reserved for issuance pursuant to stock options granted to insiders exceeding 10% of the Blue Sky Shares outstanding at the time of granting,
 - (b) the grant to insiders as a group, within a one year period, of options to purchase that number of Blue Sky Shares exceeding 10% of the outstanding Blue Sky Shares, or
 - (c) the issuance to any one insider and such insider's associates, within a one year period, of Blue Sky Shares totalling in excess of 5% of the outstanding Blue Sky Shares.
4. The exercise price of the options cannot be set at less than the closing trading price of the Blue Sky Shares on the day before the granting of the stock options.
 5. The options may be exercisable for up to five years.
 6. There are not any vesting requirements unless the Optionee is a consultant providing investor relations services to Blue Sky, in which case the options must vest over at least 12 months with no more than one-quarter vesting in any three month period. However, the board may impose additional vesting requirements and, subject to obtaining any required approval from the Exchange, may authorize all unvested options to vest immediately. If there is a 'change of control' of Blue Sky (due to a take-over bid being made for Blue Sky or similar events), all unvested options, subject to obtaining any required approval from the Exchange, shall vest immediately.
 7. The options can only be exercised by the Optionee (to the extent they have already vested) for so long as the Optionee is a director, officer or employee of, or consultant to, Blue Sky or any subsidiary or is an employee of Blue Sky's management corporation and within a period thereafter not exceeding the earlier of:
 - (a) the original expiry date;
 - (b) 90 days after ceasing to be a director, officer or employee of, or consultant to, Blue Sky due to early retirement, to termination by Blue Sky other than for cause, or to voluntary resignation; and
 - (c) if the Optionee dies or becomes disable, within one year from the Optionee's death or disability.
 8. If the Optionee is terminated 'for cause' the options will terminate concurrently.
 9. The options are not assignable except to a wholly-owned holding company.
 10. Disinterested shareholder approval must be obtained prior to the reduction of the exercise price of options granted to insiders of Blue Sky.

Any amendments to the Stock Option Plan or outstanding Blue Sky Options are subject to the approval of the TSXV and, if required by the Exchange, of the shareholders of Blue Sky, possibly with only 'disinterested shareholders' being entitled to vote. The amendment to an outstanding stock option will also require the consent of the Optionee.

No options have been granted under the Stock Option Plan which are subject to shareholder approval. The Stock Option Plan does not permit stock options to be transformed into stock appreciation rights.

The rules of the TSX Venture Exchange require shareholder approval annually for a rolling stock option plan, and that approval of the Stock Option Plan be an affirmative vote of a majority of at least 50% of the votes cast at the Meeting either in person or by proxy. Shareholders will be asked at the Meeting to pass an ordinary resolution in the form set out below.

"BE IT RESOLVED, AS AN ORDINARY RESOLUTION, THAT:

1. the Company's Stock Option Plan, approved by the directors on March 14, 2011 be and is hereby ratified, approved and confirmed including the reserving for issuance under the Stock Option Plan at any time of a maximum of 10% of the issued and outstanding shares of the Company, subject to any amendments or approval that may be required by the TSX Venture Exchange;
2. the Company be authorized to abandon or terminate all or any part of the Stock Option Plan if the directors of the Company deem it appropriate and in the best interests of the Company to do so;
3. the Company be and is hereby authorized to grant options pursuant and subject to the terms and conditions of the Stock Option Plan;
4. the Company be and is hereby authorized, at the discretion of the directors, to amend the exercise price of previously granted option agreements, without further approval by the shareholders, all in accordance with the policies of the TSX Venture Exchange; and
5. any one or more of the directors and officers of the Company be authorized and directed to perform all such acts, deeds and things and execute, under the seal of the Company or otherwise, all such documents and other writings, including treasury orders, stock exchange and securities commissions forms, as may be required to give effect to the true intent of this resolution."

The board of directors recommends that shareholders vote FOR the Stock Option Plan resolution. In the absence of a contrary instruction, the persons designated by our management in the enclosed form of proxy intend to vote FOR this resolution.
